

## Have-a-go Sailability!

Every Sunday (all year) & Fridays (daylight saving)  
Check out the action photos - fantastic day for all!

**No problem for Davis with this safe entry into the boat**

**Slick sailing from Codie & James**

**Safety gear on for Codie & James**

**Captain Davis!**

**Sailors & Volunteers - great turnout**

**Andrew Lewis, St.Pats College with Sailability volunteer - Dean Apps**

Annabelle Tye, member of Parafed Wellington, with the help of Remi Thomassen, Orla O'Regan and Don Manning from Sailability hosted a fantastic "Have-a-go" day at Evans Bay, Wellington, on Friday 19th March.

Volunteers Cara O'Shell, Roland Goose, James Parsons and Dean Apps assisted and sailed with a good turn-out of physically challenged from the Wellington region, including representatives and students from Newlands and St Patricks College.

Student Andrew Lewis, Learning Support Centre/Newlands College - Kevin Hatley and Codie Vincent (wheelchair rugby player) were thrilled with their first experience in all aspects of sailing. Davis Milson, Alexander O'Connor and Annabelle Tye are experienced sailors, enjoying calm seas and sunshine in their one-seater boats.

Newly appointed Accessibility Advisor for Wellington City Council, Stewart Sexton came down to check out the sailing action!

Sailability Wellington is keen to encourage as many people as possible in the disabled sector and especially schools around the region to experience the thrill of sailing!

**Yachts suitable for all abilities, don't miss this fantastic opportunity!**
