Outstanding wheelchair action on the Basketball courts with an inspirational video and presentation on Adaptive Snowsports - set the scene for the first Youth Sports Club day on Saturday 29 May, 2010.

Many thanks to Rangikura Primary School, in Porirua, their Hall was the perfect location and venue for this action packed afternoon.

Over 60 people came. Children and their families braved shocking weather to participate, experience, enjoy and learn about sports which are now available to them, thanks to our volunteer coaches and Halberg Trust.

June 26: new opportunities in sport with Wheelchair Rugby and Power Soccer with special guests Mike Gourley from Radio NZ and Ironman in the making Nick Ruane.
