18 people attended “Have-a-Go” Shooting on Sunday 4 July.

Ross Mason and Greg Reid volunteered their time and expertise to show 8 athletes the technique and skills in Air Rifle and Pistol shooting.

See pictures below, a great time was had by all with some of the athletes getting a significant amount of bulls eyes!

Shooting is available every Tuesday night at Keene Range, Halford Place, Petone, with competition nights run on the first Tuesday of every month.

Many thanks to Ross and Greg for their coaching and to the parents, supporters and athletes who turned up today to participate in this “Have-a-Go” event.
