

TABLE TENNIS & ADAPTIVE SNOWSPORTS

“Have-a-Go” - Sunday 20 June

19 people attended the Have-a-go Table Tennis and Adaptive Snowsports at the Empire Table Tennis Club on Sunday 20 June, including Chairman of Table Tennis Wellington, Bruce Northover. Coach Andrew Hubbard/Table Tennis and Bob Williams/Adaptive Snowsports offered a “hands on” approach in demonstrating the equipment and skills in their sports. There were 7 disabled athletes, with 6 being new. All have joined the Parafed Wellington membership. Follow-on coaching in both sports is now available to all members. Many thanks to Greg Moller and parents/families for their support.
